Images of our students (photographs, video clips, etc), and examples of their school work, are sometimes published in our newsletters, on our school website, and other online channels such as the school/class blogs, Facebook page, youTube, etc. The purposes of publishing student material are to educate our students according to the national curriculum, to encourage students to participate in our school community, and to promote the school. We believe it is important to celebrate children's achievement, but are aware of the potential risks when such personal information or material is published on a global information system such as the Internet. In the interest of safety and security we require parents to give permission for their child's first name, image, or work to be made public. With consent, we share no more than a student's first name, image, or work in the school newsletter, on the school website, or in the wider online community.
